Author Visit

Last Friday Anna Lucas, author of the children's book 'Sir Undercracker', visited school to read to the children and sign copies of her book. Thank you

to everyone who supported this event.

Erasmus Funding—For several years now school has bid for Erasmus funding. The scheme provides training for our teachers to further develop their Spanish language skills. This really benefits our pupils as teachers can complete Spanish language activities with their classes when our Foreign Language Assistant, Paola, is here and also continue with Spanish lessons when she is at other schools.

Over the Easter break Miss Forlani and Miss Thake visited Spain and attended the Spanish training. They 'tweeted' from Spain.

Today we have been in a cable car up to Pizzo de Europa, a Spanish mountain range. We've been enjoying the Spanish that we have learnt this week. The journey did seem on holiday and managed to practice their Spanish!

Change of Date – Walk to School Week We are changing the date of our Walk to School Week from 20 – 24th May to 1st -5th July. The change is so that we can take part in some new initiatives for this area which are currently being developed. The initiatives are in conjunction with Wellacre High School and aim to reduce car emissions and improve air quality in the area. We will be sending out further details nearer to the time.

Dates for your diary – Class photos will be taken on Monday 1st July.

Thursday 23rd May – Outdoor Learning Day – our pupils will be making the best of our lovely school grounds and having their lessons outside!

Staff Training -Yesterday school was closed for INSET. Staff were trained in school 'lockdown' procedures to ensure we have plans in place for any eventuality that may occur. Schools are now required to have such procedures. We would like to reassure parents that over the next few months we will complete further work on 'lockdown' and will inform you about how we intend to explain this with our pupils. We will share this information before we complete any practices with them.
