This week's attendance = 96.3%

Miss Forlani's Class= 100%

Mrs Edwards' Class = 100%

Mr Gillan's Class = 100%

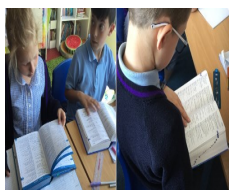

It has been another busy week in school –Y6 have completed their SATs tests and the rest of school have been completing a variety of work and play tasks:

A 'Stay and Play' session took place in the Nursery yesterday—an enjoyable time had by all!

Year 3 (Miss Roberts' Class) have been making clocks and talking about time.

Year 5 (Miss Thake's Class) have been learning about maths by looking at the definitions of some key maths words. In addition, the class have been exploring decimals by creating them with place value counters and representing them in a number of ways.

We are so proud of our y6 pupils for their immense hard work all of this year but especially this week when they took their SATs. They are pictured enjoying an ice lolly as a treat for their efforts. Thank you also to parents for supporting our pupils.

Outdoor Classroom Day will take place on **Thursday** (23rd May).

The event is part of a global campaign to celebrate and inspire outdoor learning and play. On the day, thousands of schools around the world take lessons outdoors and prioritise playtime.

Our plan is for children to spend as much of the day as possible outside (weather permitting). With this in mind, it will be a **non-uniform day—however we ask that children come to school dressed for the weather**—if it is sunny, please apply sun cream to your child in the morning. If rain is forecast, please provide a water-proof coat.

ANNUAL CAREERS FAIR

We have an exciting invitation for you to be part of our annual "Parents' Careers Fair" to inspire children in Year 6 in their future career aspirations!

This is a valuable opportunity for you to talk to children about the work you do now or did in the past. The event is informal and aims to give children an opportunity to engage with parents by asking questions and learning from your working-life experiences, in order to broaden their knowledge and understanding of the real world of work. **We would welcome parents from all occupations to give the children as broad an experience as possible.**

At Acre Hall Primary School we strongly believe that it is never too early to talk to children about the world of work, so for the past 3 years we have engaged We Aspire to deliver their Aspirations Programme with pupils in Y5 and Y6. Preparing children for life is as important as getting them ready for the next stage of their learning, and through this programme we provide an opportunity for children to broaden their knowledge and understanding about the world of work. Children are introduced to the world of work with carefully designed activities and games to get them thinking about and exploring their career ideas. The "Parents' Careers Fair" is an important element of this programme.

At our school, we are fortunate that there are many parents who are willing to support events that are of benefit to our children, and we are therefore inviting you to participate in the "Parents' Careers Fair." We hope you will be able to give your time, to come and tell children more about the work you do, and give them the opportunity to broaden their horizons.

The fair is going to take place **on Friday the 14th of June in the afternoon between 1:30 and 3:15**

If you would like to take part in Acre Hall Primary School "Parents' Careers Fair", please complete the slip at the bottom of this letter, and return it to the school, as soon as possible please as it helps us for the smooth planning of the event.

I am interested in attending the "Parents Careers Fair". Please provide me with more information about the event.
