Year 5	36	95.18	
Year 6	42	94.75	
TOTAL (EXC Nursery & Reception)	233	94.66	

Play Performance Y3 and Y4

Next Week we will be sending out details of any costumes or props that are needed for the Y3 and Y4 play. The play is called 'Going for Gold' and will be performed on Tuesday 24th March at 2pm and Wednesday 25th March at 9.15am.

Details with regard to ticket allocation will follow shortly.

Parents will be aware that the crossing patrol on Woodsend Crescent Road has not been operational for the last few weeks. School have manned this whenever we can as we realise it is a dangerous road to cross. We have heard that Anne, who usually staffs the patrol, is unwell. We will be passing on our best wishes to her for a speedy recovery.

STARS OF THE WEEK

THE ACRE HALL NEWSLETTER

6th March 2020

Sport Relief Day - Friday 13th March

Our pupils enjoy raising money to help others so we will be allowing pupils to wear a sports kit or sports wear of their choice for the day next Friday if they bring a pound to donate to Sport Relief. Further information about the work of Sport Relief can be found at the link <https://www.sportrelief.com/>

Art Ambassadors

Our Art Ambassadors have been working to design a piece of textile art which will be incorporated in to a quilt to celebrate the 20th anniversary of Trafford Intergen. Intergen's vision is to make a positive contribution to the development of young people and the local community by creating projects for schools and older people to work together. At Acre Hall we have had a strong partnership with Intergen over a number of years and value the work they do with us.

The design created by the children represents themes of 'Growing Together'.

World Book Day

We would like to sincerely thank all of our pupils and their parents for the efforts put in to the World Book day outfits yesterday. They were amazing and some had obviously taken a very long time to create. We held a special assembly and praised everyone for their efforts.

Corona Virus

At school we are reminding the children about basic hygiene precautions and promoting regular hand washing. We get daily updates from the Department For Education and will inform parents immediately by text or email should we have any need to take further actions.

Promotional Event for Trafford Council's Commissioned Early Help Offer

11th March, 10:00-13:00 in 'The Street' area at Trafford Town Hall

The Early Help Commissioning team at Trafford Council is hosting an event to publicise the services that the Council commissions in the area of early help.

What are early help services?

Early Help means providing support at any point in a child's or family's life. It focuses at level of needs 2 and 3 and is prior to social care and also as part of a step down plan from social care. Early Help commissioned services are free for residents and include a supported internship service, sleep clinics, mentoring, life coaching, family support, domestic abuse support, supporting volunteers in the early help hubs, online counselling and therapeutic support for 5-12s. To get a feel for the full offer please come along to the event, where a range of our commissioned providers will be hosting stalls and distributing information on their services, including answering any queries and advising on how to make referrals.

For more information please contact Holly Glasson,
Commissioning Support Officer on
