Update

Earlier this week we sent out—via email— a plan of our class arrangements in school for the next academic year. This gave details about how most children will move on ‘as a class’ with their current peer group to a new teacher. We feel that this will give the children some reassurance when we return to school in September after this difficult period. There are however a few exceptions to this; pupils in our small classes usually spend 2/3 years in one class so any pupils moving will already have been contacted by Miss Cook and transition will be arranged; nursery and reception pupils who move on can not all fit in the same class so we have had to create a reception class, a reception/y1 class and a year 1 class. All our staff in school will be working hard to settle our current pupils and some new pupils back in to school and continue with school learning. We know that our families have been working hard to ‘home school’ our pupils and thank everyone for all that has been done. We look forward to when we can return to a more normal arrangement in September. Next week there will be some Zoom calls with your child’s new class teacher. Details will be sent out via email.

September School

We are making plans for how school will be able to restart in September. Comprehensive details about these arrangements will be sent out to you—via email—during the last week of term. There are a few things that we want to tell you about now so that you can begin to make preparations;

- All children will need to wear usual school uniform—see link below for details

<https://www.acrehall.trafford.sch.uk/for-parents/school-uniform/>

Monkhouse—uniform suppliers—are now open and individual fittings can be arranged at the shop by appointment only—see link for contact details <https://www.monkhouse.com/pg/11/Store-Locator>

- Pupils will have sets of pencils, colouring pens etc in school—no pencil cases should be brought in from home
- Some children will eat lunch in the dining room whilst others will eat in their classrooms—normal school lunches will be available ; sandwiches or hot dinner option. Children may also bring a packed lunch from home and we ask parents to wash containers and lunch bags more regularly than normal
- Breakfast club will be open and will return to its usual start time of 8 am and usual price of £2. There will be some different arrangements when inside to restrict contact between ‘bubbles’ of children
- ‘After Acres’ is planning to open for new term to provide after school care—please contact Jo Stretton on 07902205409 or email at jostret@gmail.com for further details
- There will be no school run sports clubs etc for at least the first half term as extra time will be needed to clean sports equipment after daily lessons. We hope to restart these as soon as possible.

Learning at home

We are delighted that so many Acre Hall families have embraced our digital platform 'Seesaw' which teachers are using to set home learning tasks. Seesaw was deliberately chosen as it can be used on laptops, tablets or mobile phones. We are happy to help anyone who has not yet set it up and can talk you through this over the phone.
